MESSAGE FROM THE CHAIRMAN

Dear Friends,

It is with great pleasure and a sense of honor that I extend my warmest greetings to each and every one of you. As **AGRANI SKILL DEVELOPMENT SOCIETY SEONI**, Madhya Pradesh (ASDS) embarks on another chapter in the journey of our esteemed society, I find myself reflecting on the remarkable progress we have made together, since inception of ASDS.

ASDS stands as a testament to the collective effort, dedication, and unwavering commitment of each member. Over the years, we have not only achieved our shared goals, but we have also forged lasting friendships, established invaluable connections, and contributed significantly to the betterment of our tribal community as a whole.

As we look to the future, there are new challenges to face and fresh opportunities to seize. It is my belief that with the same spirit of unity and purpose that has defined us thus far, the entire ASDS team will continue to scale new heights and leave an indelible mark on our field.

I would like to take this moment to express my deepest gratitude to each member, individual donors, state government department officials in particular forest officers, corporate for their contributions, their passion, and their belief in the vision and mission of ASDS. Your unwavering support has been the cornerstone of our success, and I have no doubt that together, ASDS will continue to achieve greatness in the coming days.

I extend my heartfelt appreciation to the executive committee, the dedicated volunteers, and our invaluable corporate partners for their steadfast support and collaborative spirit. It is through our combined efforts that ASDS has been able to effect positive change and make a meaningful difference of the tribal community.

As we move forward, let us embrace the challenges ahead with the same vigor and determination that have been our hallmarks. Together, there is no limit to what ASDS can accomplish in the coming years too. In this Annual Report for 2022-23, ASDS provide a glimpse of our overall activities. In the post-Covid world, we need awareness and advocacy drives to make sure that the tribal communities are not sidelined. ASDS is committed to sensitizing the society towards building an inclusive environment where the tribal community can study, work or socially engage using various options.

Thank you for being an integral part of this extraordinary journey. I look forward to the continued success and prosperity of our society.

Anuj Kumar Saxena
Chairman
Agrani Skill Development Society
October 2023

BACKGROUND

AGRANI SKILL DEVELOPMENT SOCIETY SEONI is a Non-profit voluntary organization which is registered under Madhya Pradesh Societies Registration Act, 1973 a group of likeminded social worker who were working in the fields of basic Joint Forest Management, (JFM) environmental protection poor children help and human rights, Food processing, Rural Development & Poverty Alleviation Woman's Development & Empowerment, Organization began with a very limited resource as well as manpower. ASDS aims to empowerment of the economically weaker and socially marginalized section in particular the Tribal Communities.

ASDS became a note of humanity & emotions through which common man started to feel the emotions of helpless fellows of our society. Realizing grieves and pains of those helpless ASDS first started working in the direction of helping the poor rural children, old age woman etc. Apart from arranging the blood donation camps we started free medicines, medical, free health camps and education etc.

As far the legal status of **AGRNI SKILL DEVELOPMENT SOCIETY SEONI** concerned, it is a legally constituted Not-For-Profit Organization registered under Madhya Pradesh Societies Registration Act, 1973.

VISION

Every Child Grows with Love: - Through love and acceptance, emotional wounds are healed and confidence is built. Children learn to trust and believe in themselves and others. With this self-assurance, each child can recognize and fulfill his / her potential.

CORE VALUE

AGRANI SKILL DEVELOPMENT SOCIETY SEONI works towards motivating and encouraging its staff to imbibe, internalize and demonstrate these defined core values of the organization.

ACTIVITIES DURING THE YEAR

ASDS has conducted several camps and different kind of programs at the different places in the state of Madhya Pradesh to encourage the young Tribals. The glimpses of our various activities are mentioned herein below with pictures.

- Micro Planning Activity
- Training on two- wheeler Repairing
- Electrician Training
- Sewing & macramé work Training
- Light Motor Vehicles Training (LMV)
- Mushroom Cultivation & farming training
- Tree Plantation program
- National Tiger conservation program

MICRO PLANNING ACTIVITY

Forest conservation and its benefit to the villagers is one of the important goals of the micro planning. Therefore, some institutional mechanisms need to be developed while conducting PRA/Focus Group Discussion in the villages. Therefore, Field Facilitator/CO is advised to sensitize villagers on the issues/problems and seek their commitment. The Group discussions also be held to collect data such as data on employment involved community organizer fields facilitators forest guard Executive committee of the villages.

TRAINING ON TWO – WHEELER REPAIRING

ASDS striving hard to impart many learning to the young tribals especially backward students such as learning of concepts, two-wheeler repairing training and principles, aesthetic discrimination etc. which includes problem solving and other skills. Inherent to the acquisition of these kinds of learning are the overall development to build a value to the young students.

We distribute books, stationery and training materials. We motivate their parents to ensure that their trainer - especially the poor children to participate in the training.

MADHYA PRADESH

Sewing Machine & Macrame Training in Sagar District

Under Green India mission The Forest area is located in the South Sagar Forest Division in Range " Dhana " in the selected Village Forest Committee "Sapat " and others village 30 students were given Sewing Machine Training .

Training Period 24 August 2022 – 22 October 2022

TRAINING ON ELECTRICIAN

AGRANI SKILL DEVELOPMENT SOCIETY - Electrician technology is very important and essential throughout the world. Presently without the electrical technology we cannot move a single step. Specially for the domestic purpose factories (small & big) offices and in any organization, electricity is very important. In this technology, an electrician is a tradesman with the ability of training to design, install, maintain, and problem -solving electrical wiring systems. All residential, commercial, and industrial projects need a proper electrical wiring systems.

UNDER **E.S.I.P.** the forest area located in the **North Betul** Forest Division in Range "**Bhoura** " in the selected Village Forest Committee ,"**koylari** " and others village 30 youths were given training assistant electrician Training .

Training Period 25 January 2023 - 10 March 2023 .

There are three steps involved in the process, which are -

- 1. House Electrician:-** It is very essential for the house hold purpose without an electrician one can't perform their work. Today each and every work is related with the power which is performed by the house electrician.

- 2. Plant/ Industrial Electrician ;-** The trained and well knowing all about the electrical work either in the industries or small and big factories such type of electrician should be well trained who can solve the problem just after finding the fault in the system, and they should be capable to attend the different type of role like auto, semi auto, CNC, even electronics related jobs and computerized role can be attended and to rectify the defects effectively .

3. Electrical instrument :- this is an another important part of the electrical technology. Each and every electrical parameter are controlled by the instrument technician. Any defect in the instrument line, testing, repairing, calibrating and rectifying the faults is the important role of the technician. such type of training is given at ASDS with all types of facilities, which is being thought by a well-trained or subject matter experts.

Training on Plumbing in Betul district

Under **E.S.I.P.** the forest area located in the North **Betul** Forest Division in Range “**Bhoura**” in selected Village Forest Committee **Banabehda** and others village 30 youths were given training on electrician.

Starting training On - 10 February 2023 – 11 March 2023

TRAINING ON MUSHROOM CULTIVATION & FARMING

AGRANI SKILL DEVELOPMENT SOCIETY SEONI The desire for sustainable projects for a Non-Government Organizations and the need of reliable sources of income for small scale farmers is ever increasing for the nation's development 'sustainability' is a buzz-word often bandied round, with many communities and organization top-down development model for investing in more grass-roots, long-term, locally applicable solutions.

Under **Green India Mission** of Oyster mushroom cultivation with four model mushroom production units were introduced under the farmer's first programme among the tribal community in the Forest area is located in the **West Betul** Forest Division in Range "**chicholi** " in the selected Village Forest Committee, **Imlidhoh** and others villages of Madhya Pradesh to help the farm women and the young rural youth in the area to have a sustainable livelihood.

Oyster mushroom cultivation growing

ASDS has been now focusing on conducting such training program on eco-friendly mushroom cultivation. The training program is conducted by the division of mushroom farming and mainly the training program focus on Oyster mushroom cultivation and farming. "Sustainable" methods of mushroom farming skills and provide sustainable livelihoods for people in the tribal and marginalized communities. The whole process of mushroom production is divided into four simple steps which begins with compost preparation.

Utilization of paddy straw waste for mushroom cultivation

A training on mushroom cultivation helped many farmers in the remote tribal villages to have a sustainable regular income. The programs also helped in the better utilization of the waste paddy straw and also to overcome the environmental damage caused due to the burning of paddy straw. The farmers fetched better market prices for the mushroom with a low investment and effective management.

Training organized under farmer first programmed mushroom cultivation & farming.

ASDS ORGANIZED WILDLIFE CONSERVATION AWARENESS PROGRAMME & OTHER ACTIVITY

ASDS has been striving hard to undertake Wildlife conservation awareness campaign program in the forest area located in the South **Seoni** Forest Division in Range “**khawasa**” in the selected Village Forest Committees and others village.

INDIA KHELO FOOTBALL (IKF)

India Khelo Football (IKF) is a non-for-profit platform to provide the youth of tribal community and from across India with a chance to pursue their dream of playing football at an international level. Players will be graded with the help of Top International Scouts. The tournament winners will be taken to Europe who will get a chance to showcase their talent to the European clubs.

Agrani Skill Development Society Seoni participated in the IKF Session 2 (India Khelo Football) sports game. It was held at the Mitra Milan Stadium at Adegaoon on 11 December 2022. After a day-long thrilling football action involving 30 players from Adegaoon District Seoni Madhya Pradesh.

IKF Session has selected 6 player's performance between Delhi and Ghaziabad
